\$1,750,000

Welcome to a whimsical and enchanting escape that has been seen on Magnolia, HGTV, and Discovery networks. As the sun sets over the Catskill Mountains, the soft glow Edison bulbs illuminates the land around you. Evening twilight transforms the woods while sounds of the Shawangunk Kill fills the air. Nearly twenty-five acres of private property marries 200 years of history with modern life in the Hudson Valley. Life is better at the Bruyn estate. Rejuvenate in either of the two immaculate, Cristy Lee McGeehan, Custom Designed Homes. The original 1800's Farmhouse boasts authentic wide-plank wood floors, 3 fireplaces, a wood-stove, a primary suite, 2 guest bedrooms, formal dining room, an office, gym & Speakeasy inspired basement lounge. Enjoy a remodeled custom kitchen with concrete countertops & island, exposed brick, 17th century hand carved pantry & Cafésmart kitchen appliances. The newly built, whimsical log guest house (five bedrooms; five and a half bathrooms) made from salvaged 1850s barns has custom designed bedrooms, contemporary mechanics/zones heating and cooling, and radiant floors. The homes are nestled in the woods and surrounded by landscaped lawns and 3 firepits. This property is the perfect place to relax with a cup of coffee, or a bottle of wine, all while enjoying nature and forgetting your worries. Outside is a dream with a landscaped patio area with hot tub and a big yard that has a fenced in area for animals. Currently the owners have alpacas and goats as their upstate companions. This is a great full-time residence & investment property.
