Welcome to the hemp house project at Stone Ridge. An enclave of four unique, modern homes to be built with high-performance, non-toxic materials using Isohemp Hempcrete block. The project offers three custom build homes for buyers to choose from: The Kitsune 1.27M (2,230 SF), The Kuma \$1.595M (2,400 SF), and The Hana to Shika \$1.85M (2,840 SF). The three-bedroom, two and a half bathroom healthy homes are designed for wellness and low-maintenance living; these stylish houses are made with superior materials of naturally derived or recycled earth-friendly products. The hemp houses are a natural, breathing, humidity regulating, carbon sinking, and mold resistant envelope with high energy performance. The long gravel drive leads to lightly wooded, quiet, private parcels, each about four acres. Set among mature hardwoods and gently terraced with plenty of open lands for various options and outbuildings. Features Include high-efficiency Inverter Heat Pump Systems, Energy Star Bosch Electric Appliances, custom cabinetry, European triple-glazed windows, standing seam metal roofs, and high-quality bath fixtures. Several unique upgrades are being offered, including an accessory dwelling, shou sugi ban exterior finish, a natural swimming pool, a solarium, and a vegetable garden. Impeccably located under 2 hours from Manhattan, 30 minutes to Amtrak at Rhinecliff, and six minutes into the town of Stone Ridge. Take advantage of this incredible opportunity to build your custom healthy home in the heart of the Hudson Valley. A complete brochure is available through the listing agent and in associated documents. The project offers a \$5,000 bonus to the buyer's agent at closing.
