1818 Early High Style Federal Home with Greek Revival and Victorian Period renovations. Elegant, gorgeous center-hall colonial with abundant original architectural elements, period-perfect details and original wide-board floors. This stately home welcomes you with two spacious living rooms/parlors on either side of its graceful main staircase. Continue through to the well-apportioned dining room and library/office, leading to the renovated dining porch for lovely summer evenings. The circa-1860 kitchen addition is roomy enough for a large island, and awaits your imagination. New Bosch dishwasher, Samsung refrigerator make country living a breeze. The sprawling upstairs features four-plus bedrooms, two of which are luxuriously parlor-sized, a dressing room and two full baths. A large walk-up attic provides additional storage and could serve other creative purposes. Sited on nearly six acres, the property features an in-ground pool with new saline system, heater, liner and electric, with an adjacent Victorian-style cedar pool house. Additionally, a two-car barn garage could be imaginatively repurposed into a studio, a guest house or workshop. The property is located just 12 minutes from Hudson and Amtrak's Empire Service, with all Hudson has to offer, restaurants, galleries, music and shopping. Art Omi, the Hawthorne Valley School, wineries and farm stands are all within 15 minutes of your private, Palladian retreat.. The Columbia Golf and Country Club and the Farm at Miller's Crossing farm stand are a stone's throw down the road! Everything needed for easy, yet elegant country living is here, all in one of Claverack's most historic properties, complete with original door knocker from the historic Miller family.
