Mid Century Ranch Home privately set back from the road with a wonderful sense of privacy. This special Home is on a beautifully landscaped lot with no neighbors in sight, and Mountain View's that could be further enhanced with select clearing. The flowing floor plan provides a wonderful separation from room to room. The master bedroom suite is a romantic oasis complete with a vaulted ceiling, skylights, pocket doors and a private bathroom that features a deep elevated tub plus a separate modern shower. The Country kitchen has wide board flooring and plenty of counter space with a center island for additional workspace. The open dining area located just off the Kitchen continues the natural flowing feel. Imagine curling up in the Living room and relaxing on a chilly night by the fireplace. At the far end of the house is a spacious Family room with its own private entrance. Hot summer days by the pool and just kicking back and relaxing on the Bluestone patio.

Addendum: It is only a short drive from the home to some of the area's best attractions. The Catskill Native Nursery, Sundown, Vernooy Kill State Forests, Arrowood, Westwind Orchards, Mohonk and Minnewaska state park. Fall is exceptionally beautiful and Apple picking season at the Wightman fruit farm boosts some of the best variety of Apples in the valley. You won't be disappointed.
