Picture-perfect two-bedroom Red Hook Village home is just blocks away from the village center -- including the Bard College Shuttle bus and public transportation -- and just a block from Red Hook's bustling Chocolate Factory complex of businesses. Inside features include high ceilings and wood trim throughout. Outside offers a classic front porch and side deck overlooking a nice side yard bounded by trees and a split-rail fence, and a large heated workshop/garage. For new occupants, the interior will need deep cleaning and cosmetic repairs throughout, but this is a great opportunity to own a village house at this price!
