Amazing water front property situated at the end of a country Road on the Esopus Creek. This newly renovated 4 plus acre property is pure bliss. Offering 10 cottages, all with separate utilities. 6 of the cottages are fully renovated with mini splits that offer AC and heat, new durable standing seam metal roofs, new pine floors, all new electric and plumbing, new energy efficient thermal pane windows, new insulation and siding, all new 1000 gallon septic tanks and a large two car garage for extra storage. This property offers so much outdoor living space. There is also a boat launch for kayaks and canoes, a newly built dock, several fire pits and a beautiful waterfall. Spend your days enjoying many of the outdoor activities. Settle down at night and relax by one of the many fire pits that surround the property while listening to the sound of the peaceful water. The possibilities for this property are endless. Two of the cottages have long term renters. Another cottage is a successful income producing AirBnB. Two of the cottages are currently still under renovation and will be completed. The two cottages that have not been renovated are being sold as is. Situated between Saugerties and Kingston and a short distance to the town of Woodstock. Close to NY State Thruway and tons of winter activities. Come take a look! You don't want to miss this one of a kind property.
