A serene escape awaits as you own a piece of history, or generate passive income as a rental of the main house with the bunkhouse as a glamping cabin. This Schoolhouse, active from 1850-1949, with a new bunkhouse, can be your weekend retreat and vacation home. Adjacent to Vernooy Kill State Forest, 3,686 acres of state parkland are your backyard. At the rear of the property you will find the least travelled trail to the famed Vernooy Kill Waterfalls with swim hole; just a 2 mile hike or bike ride to one of the hidden gems of the Hudson Valley. This property promises 4 seasons of fun; located above the Rondout Reservoir and Peekamoose Lake and Falls, enjoy swimming, canoeing and kayaking with hiking, cycling, and horseback riding as well cross country skiing, snowmobiling, and snowshoeing through the 30,000 acre Sundown Wild Forest.

**Addendum:** Recent improvements include a new well pump, new concrete collar, 250 ft. well tube, and a new expansion tank. There is new plumbing and tankless water heater, updated electric with breaker box, and a propane stove. There is a disconnected wood stove which the sellers will leave. Currently there is a composting toilet, however, Catskill Watershed will assist with a septic system. Outbuilding can be used as a storage shed or converted to a bunkhouse. Needs work, but will be worth the effort to own a unique weekend get-away!
