\$689,900

Situated on a quiet dead end country road, this expansive compound offers over 24 acres of sprawling land and multiple outbuildings. The farmhouse has been completely renovated through the years, with a roof, windows, and electric. The kitchen has all handmade cabinets and classic hardware, a large wood stove is located between the kitchen and dining room, it can warm up the entire home on chilly nights and holiday gatherings. The living room has all hardwood floors and beamed ceilings, it walks out to the front covered wrap-around porch. The first floor also contains a bedroom and half bath with lots of storage. The second floor opens up with a landing great for a computer area or a small den, then two nicely sized bedrooms have warm wood accents and solid wood doors. Down the hall the full bath has a claw foot tub and separate shower, it also has a washer and dryer along with a huge linen closet. The outside is magical, there is a dining pavilion and kitchenette area great for outdoor gatherings and private events. The area has a stove and refrigerator that is set up really nice for outdoor parties. There is then a large two-story barn, the footprint measures about (45x50) offering electricity and a fun sleeping loft. There are large barn doors around the structure for easy access, there are plenty of work areas with high ceilings. This barn would make a great additional living space (with proper approvals), for an artist/contractor or anyone who needs the workspace. The sprawling land is a mix of open fields and mature woods. The zoning is Moderate-density residential and offers tremendous subdivision possibilities (with a proposed minimum lot size of 1 acre). The central location is about 10 minutes from the Village of Woodstock and about the same to the Village of Saugerties, Ulster County's main Shopping district, and the Rhinecliff bridge heading to Dutchess County. This property offers endless opportunities.

Addendum: Barn has two levels with 2 wood stoves for heat and there is also electric with a detached outhouse
