\$137,500

This beautiful 4.5+ acre building lot is in a rural area of the Town of Ulster not far from uptown Kingston and the shopping district of Ulster and features a lovely woodland pond. Ready to build!! The driveway is in and runs along the pond to a cleared Southwest facing building site well off the lightly used South road. Also in is underground electric to the building site with the meter and transformer already installed. The lot has been approved for a 4 bedroom in ground septic system, a rarity these days! The property is fully surveyed and had a professional wetlands delineation. Easy to view!
