\$149,000

The access for this over 20 acre residential property is located at the end of a town maintained dead end road. With a possibility for subdivision and several nice building sites, this could make for a great Cabin in the Country set up. It is within close proximity to all required amenities including recreational activities. Easy access to major roads for regular commuters. There are two adjacent parcels each consisting of 10.7 acres that are being sold together for a total of over 20 acres. Buy now and build when you're ready.
