A well-maintained, recently refreshed and light-filled Victorian home nestled in the friendly Village of Saugerties. Despite its classification as a two-bedroom home, this residence surprises with generously proportioned rooms and charming, intact original details, hardwood and ceramic tiled floors, all freshly painted and cooled by central air conditioning to create a welcoming ambiance throughout. Upon entry, a comfortable living room flows into a formal dining area, currently serving as a second living space with a newly installed wood stove. Adjacent to the dining room, you'll find a convenient additional room with a half bath, offering versatility as a guest bedroom or office. The heart of the home is the inviting eat-in kitchen, complete with a Wolf Stove. A classic banister guides you upstairs to two sizable bedrooms and a full bathroom. One bedroom features an adjoining extra room, perfect for use as an office or hobby space, along with a spacious walk-in closet. Ascend a staircase from the second floor to the newly insulated and finished attic space. Outside, a charming front porch and fenced backyard oasis featuring a sizable deck overlooking a stone patio which provides an ideal spot for relaxation and outdoor gatherings. Mature landscaping, including numerous plantings, trees, and mulched flower beds, adds to the property's allure, while an outdoor shed offers additional storage space. For added convenience, a driveway on the side of the house provides off-street parking. A short stroll brings you to the fine restaurants, unique shops and cinema of Saugerties Village and the recreational amenities of nearby Cantine Field. This home offers the perfect blend of village life and access to the beauty of the Catskills. Enjoy easy proximity to the NYS Thruway and nearby towns like Woodstock, Kingston, Rhinebeck, and Hudson, making this residence an ideal combination of comfort and convenience. Saugerties Village is currently liberal in its policy regarding short term rentals. Agents and prospective buyers should check with the Village regarding regulations.
