In search of the perfect country getaway, whether for weekends or full time? Your search is over. Tucked away on Bowden Road, the eponymous "Country Lane", a quiet but Town maintained lane in The Vly, there resides a cozy cedar log home, just waiting to bring joy to its next owner. Seemingly hidden in the hills, it is just a short drive to the hamlets of Stone Ridge, High Falls, and Rosendale. Central to all that the Rondout and Hudson Valleys have to offer- be it farm markets, and orchards, breweries and distilleries, fine farm to table dining, superb hiking and biking or the peace and quiet of a summer afternoon watching the birds and bees among the wildflowers in the meadow! From the rocking chair front porch, enter the open floor plan living room, dining room, and kitchen, with soaring cathedral ceiling and bright light windows providing great views to the woods and meadow. Sliding glass doors open to the stone patio, making for a marvelous entertaining area joining indoors to out! Butlers Pantry and Laundry area adjoins the kitchen. Upstairs, the Master Suite has soaring vaulted ceiling, full bath, and a sitting area or cool office space that is lofted over the living room, and a cantilevered balcony for morning coffee. The 2nd bedroom is first floor, also with full bath. Above the two car detached garage there is a bonus space- a full studio space, currently set up as an exercise room, it could be office or art studio, any of a number of uses. Solar Panels offset your electric bills, and panels are owned, not leased.
