Cute as a button, this bright and sprawling 2-bedroom, 2-bathroom cottage, once a post office, has been reborn with a new, clean look. The open living space is perfect for entertaining with its great flow. There is a new kitchen with wood cabinets, modern appliances and stone countertops to impress your guests. The rear of the house opens to a lovely level yard with seasonal views of High Point Mt. Charming enclosed porch just adds to the character and gives you a little more space to relax. The house layout can easily support a home office/business. There is a detached 2 car garage- a little funky, but spacious and functional AND a fabulous 30x30 pole barn, with a separate drilled well and separate electric service, that is ideal to use as a workshop, studio or even just a garage for your car collection. Easy shooting distance to the magnificent Ashokan Reservoir, Hunter & Belleayre ski centers, Woodstock, Stone Ridge, Kingston and more. A perfect place to escape to. What more could you ask for!
