DELHI HIDDEN GEM. Down a long paved driveway, privately tucked away in the trees and just a few short minutes from downtown Delhi sits this charming 3 bedroom, 1 bath farmhouse. The house has seen upgrades over the years but there is plenty of original charm and opportunity to put your own modern and personal touch on these walls. The practical mudroom leads the large, bright country kitchen w. high ceilings, skylights, walk in pantry/laundry, & ample room for dining. The open floor plan of the dining/living room & family room is spacious a can be rearranged to suit your needs. French doors lead to a bright sun room currently used as a bedroom. Here large windows bring nature inside year round and the high ceilings add a contemporary touch to the space. The full bathroom with large picture window is also at this level. The original staircase leads to the 3 upstairs bedrooms 2 of which are generous in size and have closets. The third is smaller suitable for anything from a kid's room, guest room, home office, et. The yard surrounding the house is beautiful and level with established perennial gardens, fruit trees and a fenced in kitchen garden. The garage will accommodate 2 cars plus garden equipment and the vintage shed (probably the old milk house) is the perfect place for a potting shed or other storage. The property sits above and borders on the Delhi Golf Course which allows for long vistas and beautiful light.
