Check out this lovely 1892 sq. ft. brick ranch with three sizable bedrooms, two full baths, hardwood floors, replacement windows, central air conditioning, huge rear deck, and two-car garage. Step into the foyer and your eyes are drawn to the generous living room with stone fireplace, open to the sunny spacious dining room with access to the huge rear deck. The large multi-cabineted kitchen with eating area is one any chef would die for. Wander down the hall to find two sizable bedrooms to the left and the main, full bath straight ahead. Step to the right into the relaxing primary bedroom boasting two walk-in cedar-lined closets (don't miss the laundry chute), and full-bath addition enjoying double sinks, a jetted tub, and shower. The unfinished full basement with Dry Basement System affords a great amount of space for a workshop, storage, or finishing into a family room, home office, studio, or whatever suits your fancy.
