Discover the unbeatable charm of this Hudson Valley retreat. Nestled on 2.6 acres of serene land along a tranquil road, this residence boasts proximity to Kingston, New Paltz, and Rosendale, offering prime access to one of the Hudson Valley's premier bass and carp fishing spots. Sturgeon Pool, just a mile away, provides 4.4 miles of shoreline for kayaking, canoeing, and fishing adventures right at your doorstep. The ranch-style home features 2 bedrooms and 1.5 baths, an inviting eat-in kitchen and a cozy living room adorned with a brick fireplace and pine bookshelves. An attached 2-car garage with ample room for workbench leads to a sunlit breezeway connecting to the kitchen. The full basement adds a 1052 square foot rec room with a wet bar as well as a kitchenette and half bath. The basement leads out to a screened porch overlooking the spacious backyard. There is a separate 13 ft x 24 ft garden shed and a 14 ft x 41 ft extra garage that was once used for an RV - both can easily be converted into workshops or art studios. A quiet oasis near great restaurants, outdoor recreation, art, and entertainment. What more can one ask for?
