A very rare chance to own a side-by-side duplex in the Rondout section of the City of Kingston. This lovingly renovated 2-family building offers a vacant 4 bedroom, 2.5 bathroom home on three levels with egress on two levels. Both units are very similar in layout with the exception of the left (vacant unit) having one additional bedroom. Each side has an interior staircase to each level. The front entrance accesses the open kitchen, dining and living room with a half bathroom. The second level has walk out access to the rear parking level and includes 2 bedrooms and a full bathroom. The third level has 2 more bedrooms and a full bathroom as well as access to the attic. Laundry for each level is on the second level. Both interiors are immaculate! Rondout Creek and Hudson River views from the third level. Walking distance to the vibrant Rondout waterfront with restaurants, cafes, shops and nearby Hasbrouck Park. Don't miss this opportunity! Plenty of onsite parking.
