Give an old girl a new start! She is just waiting for you to help her shine again. A sweet home with great bones and a dry basement, and most of the demo is already done! She's all yours to envision however you'd like. 4 bedrooms, a generous kitchen, and two all-purpose rooms, one on either side of the house; maybe one for entertaining, and the other for working. All windows have been replaced, and a new roof was installed in 2023, so that's done! Laundry area on the first floor. A shed for your tools, plus two decks and a covered porch to sit on and watch the world go by. Great location in the village of Margaretville, so you can walk to everything! Priced to sell - don't let her get away!
