Enjoy easy living in this well-maintained ranch located just minutes to Downtown Kingston Waterfront, local shops, restaurants, farmers market and so much more! Curb appeal and pride ownership shines throughout in this open and inviting floor plan with mostly hardwood floors throughout. Step inside the front door as you are graced with a large picture window that floods the room with natural light leading through the dining room with a cozy double-sided wood fireplace for those cold winter nights. Both rooms flow nicely into the open kitchen featuring breakfast bar, island and walls of cabinet space. Home has the perfect flow for holiday parties and family gatherings. Also, occupying the first level are three generously sized bedrooms with ample closet space with two full baths. For additional storage needs, there is a full unfinished basement with a washer/dryer, generator hook up and access to the heated oversized two car garage measuring 27X30. Head out the back door for a lovely, landscaped yard large enough to add an above ground pool or expand the open deck. Municipal sewer, water and natural gas are a plus! Home is 15 minutes to hot spot Uptown Stockade District, 25 minutes to Dutchess county and just under two hours from NYC, come take a look! Furnace was installed in 2016
