\$239,900

Manufactured home on 2.34 acres with beautiful mountain views set back from the road with a nice sense of privacy. When you enter the house you will find high ceilings in the living room, dining room, and primary bedroom with a walk in closet. Two bedrooms and a full bath are located on the other side of the house plus a den with a fireplace. The house is on a block foundation with an insulated crawl space. The house could use some TLC, but is in move in condition. Updates include a new roof in 2018. The property has gardens and small trees throughout. The property across the street has quarry stone and is part of the 2.34 acres. Circular driveway with plenty of parking on a dead end road. Minutes to the Villages of Saugerties and Woodstock. Short drive to skiing and hiking in the Catskill Mountains.
