Where modern charm meets mountain calm. Tucked away on a peaceful cul-de-sac overlooking the Esopus Creek, and just under a mile from the heart of Saugerties village, this beautifully renovated 4 - bedroom, 2-bathroom home offers the perfect blend of quiet comfort and easy access to town. The main level features an open-concept layout with a brand-new kitchen complete with Quartz countertops, stainless steel appliances, and a gas cooking range. Vaulted ceilings with exposed beams, and a cozy wood-burning fireplace give the home a warm, inviting feel. The dining area opens through dual sliding doors to a spacious deck, ideal for entertaining or taking in the stunning mountain and hilltop views. The primary bedroom is conveniently located on the first floor, with three additional bedrooms and a full bathroom upstairs. The upstairs bath includes a washer and dryer for added convenience. Both bathrooms are beautifully updated with marble vanities, brushed brass fixtures, and clean, modern tilework. The home is heated by propane-fired baseboards and cooled by a mini-split system. Set on 0.79 acres, it also includes an attic and an unfinished basement for storage. Currently operating as an active and successful Airbnb, the home is available fully furnished if desired and is a turnkey option for an investor.
