\$219,000

Two bedroom, one bath brick ranch home in Glasco. Open kitchen and dining area with ceramic tile floor. Three season sunroom with slate floor lets in the afternoon sun. Living room with stone fireplace and bamboo flooring is central to the home. There are two bedrooms and an office that could be used as a third bedroom if needed. The full bathroom has a Safe Step Walk In tub. Full basement is spacious for workroom and much more. Full walk up attic is useful for extra storage. One car detached garage and shed help to provide privacy in the backyard. Conveniently located between Saugerties and Kingston. Municipal water and sewer is available, currently all systems are turned off. Home is being sold as is. Cash or rehab loan is necessary.
