\$575,000

Welcome to this spacious ranch on a private road, nestled in the heart of the Catskill Mountains. Featuring two bedrooms and two bathrooms, this home offers comfort and charm starting with a large, covered front porch, perfect for enjoying your morning coffee or evening sunsets. The open concept main level features 10 ft. ceilings and large windows that flood the space with natural light. A large kitchen with custom cabinets provide plenty of storage, seamlessly flowing into the dining area and living room, ideal for entertaining guests. The lower level offers versatility with a laundry area, media space, exercise area and full bathroom, making it perfect for overnight guests, possible mother/daughter or as an entertainment retreat. The above ground pool with large Trex deck invites you to relax and take in the serenity of the outdoors with seasonal mountain views. In addition to the home, the property includes a spacious 26 x32 shed equipped with electricity, offering the potential for a workshop, studio or additional storage. Home also has seller owned solar panels. Whether you're looking for a year round residence or a weekend getaway, this home offers comfort, style and natural beauty.
